Refund Schedule

Should a Recruit leave or be released from the Academy, some of the fees paid can be refunded. The following Refund Schedule will be used, based on the number of hours completed and amount of fees paid to date. Fees waived will also be taken into consideration when calculating the Refund Amount. Because the refund amount is on a sliding scale and some fees are non-refundable, the refund schedule does not correspond to the monthly payment schedule; and, based on the number of hours a recruit has completed, fees may still be due at the time of release.

Refunds are not automatically processed. To receive a refund, a Refund Request Form must be completed and returned to the California Fire & Rescue Training Authority.

Hours Completed	% of Refundable Amount to be Returned	% Consumed (% of refundable fees that need to be paid at time of release)
0 Hours (Paid but did not start)	100%	0%
0-162	75%	25%
163-325	50%	50%
326-481	25%	75%
482-650	0%	100%
