Bidder Submission Instructions

Bid Submission Packet

To successfully submit a formal bid, bidders are required to submit a sealed bid packet to the location specified in the "Submit Written Bid To" section above. The bid packet shall contain the following documentation:

- The "Request For Formal Bid Document" with signature, date and title at the bottom of each page indicating that the formal bid document, including attachments, was received and read.
- A Written Bid shall be submitted on company letterhead adhering to the specifications identified in the "Scope of Work/Specifications" section of the Request For Formal Bid. The total cost for the requested project/service shall include all applicable costs (tax, shipping, etc.) and a final total.

Bid Submission Method

Sealed Bids shall be submitted using one of the following methods:

- In Person – hand delivered to the California Fire & Rescue Training Authority to the address provided in the "Submit Written Bid To" section.
- By mail - using certified or registered mail with return receipt requested, or by overnight delivery services to the address provided in the "Submit Written Bid To" section.

Upon Bid Award

- Upon Bid Award, the successful bidder shall submit the appropriate Conflict of Interest Statement.
- Upon Bid Award, the successful bidder shall provide proof to the satisfaction of the Training Authority of appropriate insurance coverage, such as a Comprehensive General Liability policy, a Professional Errors and Omissions policy, or Worker's Compensation policy, depending upon the nature of the services or personal property requested.
- Upon contract award, it becomes the supplier's responsibility to furnish the personal property or special services meeting the specifications stated. Deviations from these specifications must be stated by the supplier when making a proposal. If not stated, the Training Authority assumes that the specifications are going to be met. Deviations are not automatically acceptable and major deviations must be investigated to determine whether or not all bidders should be advised of a specification change and given the opportunity to resubmit bids.
